## **Thank you to all who supported!**

On behalf of individuals such as one of our 70+-year old participants who needs assistance with bathing, accessing resources, hygiene, meal preparation and transportation, is dependent on others for housework and laundry and needs a cane to get around. Without the daily attendance and frequent monitoring of the adult day services center, is at imminent risk of hospitalization due to unstable diabetes and could lose the dignified independence of living in own home and community.

### **To the Member Centers' staff**

**who provide the daily direct service, you are awesome angels!**

*Thank you Hotel Whitcomb!*

**Appreciation in its deepest meaning to Rich Sigberman, who designed and contributed our exclusive DANCE2CARE logo. Check out more of his artistry at [www.sigsart.com](http://www.sigsart.com)**
